

Celebrate 50 years of refinement.

Over the past 50 years the Ford Falcon has evolved into a truly refined vehicle, engineered to meet the demands of today's driver. With the limited edition 50th Anniversary XR6 and G series range you can have the usual refinements such as Bluetooth, a 5 star ANCAP rating and surprisingly low fuel consumption, plus a whole lot more. These specially enhanced vehicles are only available for a limited time. So, to find out more visit www.ford.co.nz or your Ford Dealer.
