Winter can be very hard on vehicles. With the 10 Point Winter Check, our Ford factory trained technicians will inspect all major components of your vehicle so you can be rest assured your car has been checked and prepped for the winter period. Ring our friendly service advisors on 0800 367333 to book & enjoy a free coffee, car wash & flybuys points.

Includes: battery inspection, check operation of lights, indicators, horns and dash warning lights, visual brake inspection, top up of brake, radiator and transmission fluids, inspection of tyre tread and wear, shock absorber test, front wiper inspection and washer fluid top up and check seatbelt condition and safety. Free wiper blades, if need replacing.*

Offer Valid Until 18/06/2010. *A charge on wipers may apply for Focus, Fiesta and Mondeo.
